Reading and Writing Station Model

Deafblind, blind and low vision, MDVI
-Who they are?
- What is the reading level of these children?
- What books will be interesting for them?

- What is experience and wishes of parents?

- What books do they have?
-What books do they need?

Who is interested in the project?

Together we can do more!

State budget special boarding school for children with hearing impairment No. 117

Samara State University of Social Sciences and Education

THANK YOU!
